

## **HENRYBUILT JOB DESCRIPTION**

### **Field Expert: New York City**

Henrybuilt is a growing design and manufacturing company, seeking a Field Expert to help us sustain a solid foundation and grow strategically. We are seeking someone with a varied skill set for a full time salaried position to provide installation support for the Design team, assist the Business Development and Sales teams in closing business and creating a marketing tool to help drive sales.

#### **Objectives of this Role**

- Overcome field obstacles to closing and increasing project sales
- Increasing local trade relationships and referrals
- Solidifying client relationships
- Elevating our ability to resolve field issues locally and quickly, gathering feedback and providing installation support
- Managing certified installers for installations

#### **Daily and Monthly Responsibilities**

- Available for site dimensions and conditions
- Installing Primary Objects products
- After move-in care and minor site services
- Onsite resolutions of issues during installation
- Coordinating Henrybuilt managed installations

#### **Skills and Qualifications**

- Proven client, team and cross-team communication
- Computer skills
- Understanding of construction
- Carpentry skills and ability to install and assess/ resolve small on site issues

Salary commensurate with experience and skills.

Please send a cover letter, resume and portfolio to [careers@henrybuilt.com](mailto:careers@henrybuilt.com).

We are unable to accept phone or in-person inquiries regarding this position. Due to the large volume of resumes we receive, we will only be able to respond to those we select to move into the interview process. Recruiters please do not reply.

Henrybuilt is highly respected within the luxury residential market as the designer and manufacturer of a superbly crafted and industrially designed performance kitchen solution. In recent years, the company has expanded into almost every room in the home. Henrybuilt has completed over 4500 major projects across North America, Europe and Asia. In 2019 the launch of Space Theory- a more accessibly priced kitchen system- successfully leveraged Henrybuilt's approach into a larger market.
